CLEANERS  
PHOSPHATE REMOVERS  
STAIN AND SCALE  
TILE CLEANERS & SCALE REMOVERS  
WATER TREATMENTS

# ACID WASHING

Part number  
PWB32 / PWB04

Product Name  
Plaster White-n-Brite

Container Sizes  
Quart, Gallon

## For Acid Washing Swimming Pools of all Colors

Plaster White 'n Brite is an additive for the acid and water mixture used in acid washing swimming pool plaster of all colors. It will thicken the mix creating a more viscous, non-streaking application along with removing fumes, eliminating etching and cleaning the surface better, faster and easier.

# ALGAEICIDES

Part numbers	Product Name	Container Sizes
